### Just A Thought

When training and educating your children remember to “teach them as many of the seven hundred thousand plus words in the English language as you have time to, but be sure they know that greatest word is GOD; the longest word ETERNITY; the swiftest word TIME; the nearest word NOW; the darkest word SIN; the meanest word HYPOCRISY; and the deepest word SOUL.”

Adapted from Bulletin Builders Volume Three

### Bible Quiz Time

After Jesus healed the man with the withered hand with whom did the Pharisees conspire to kill Him?

### Today's Bible Reading

Philippians 3:15-21, English Standard Version.

<sup>15</sup>Let those of us who are mature think this way, and if in anything you think otherwise, God will reveal that also to you. <sup>16</sup>Only let us hold true to what we have attained.

<sup>17</sup>Brothers, join in imitating me, and keep your eyes on those who walk according to the example you have in us. <sup>18</sup>For many, of whom I have often told you and now tell you even with tears, walk as enemies of the cross of Christ. <sup>19</sup>Their end is destruction, their god is their belly, and they glory in their shame, with minds set on earthly things. <sup>20</sup>But our citizenship is in heaven, and from it we await a Savior, the Lord Jesus Christ, <sup>21</sup>who will transform our lowly body to be like His glorious body, by the power that enables Him even to subject all things to Himself.”

### Paul's Portion

One thing that most sports have in common is some sort of official who is in charge of making calls about rule infractions or plays. Another similarity amongst all sports is that the official, whether it is a referee, umpire or other, can not please everyone. There is, it seems, always someone who is not happy with the call. Usually the displeasure is heard from the stands as the crowd boos and offers advice to the ref. Sometimes the coach or the players will talk with the ref in an attempt to sway the call their way. When a call does not go our way we have a tendency to think that the official has something against our team. We complain that the call is not fair, and believe that the other team gets away with more than we get away with. We have to remember that these officials are, after all, human. Being human they have the normal limitations of humans. They can not see everything that goes on on the court, field or diamond. They cannot watch every move that every player makes. Therefore, they may miss something once in awhile or be mistaken about what they see. Thankfully, in the big game of life we have an official who is beyond the limitations of mortal man. Jesus Christ is the official who will be making the call on how well we have played this game of life. When Jesus does make the call it will be official. Yet, there will be those who will even try to argue with Jesus in an attempt to persuade Him to change His call. We can read about these people in Matthew 7:22 and 25:31-46. I'm sure that these people will complain that Jesus' call is unfair or that Jesus has something against them. We can be assured, however, that every call that Jesus makes will be spot on with not even a hint of impropriety. Jesus is the ultimate fair referee. In John 5:30 Jesus states, <sup>30</sup>I can do nothing on my own. As I hear, I judge, and my judgment is just, because I seek not my own will but the will of Him who sent me.” This shows that the call Jesus makes will not be for His benefit, but the Father's. Therefore, it will be just. Jesus also tells us that He is not making the call by Himself. John records these words of Jesus in John 8:16, <sup>16</sup>Yet even if I do judge, my judgment is true, for it is not I alone who judge, but I and the Father who sent me.” No matter what the call may be we can be confident that it will be fair and just. Therefore, play by the rules and have no fear of the official's call.
