### Just A Thought

“To the world you may be just one person, but to one person you may be the world.” Brandi Snyder

### Weekly Memory Verse

Daniel 6:25-27, <sup>25</sup>Then King Darius wrote to all the peoples, nations, and languages that dwell in all the earth: “Peace be multiplied to you. <sup>26</sup>I make a decree, that in all my royal dominion people are to tremble and fear before the God of Daniel, for He is the living God, enduring forever; His kingdom shall never be destroyed, and His dominion shall be to the end. <sup>27</sup>He delivers and rescues; He works signs and wonders in heaven and on earth, He who has saved Daniel from the power of the lions.”

### Bible Quiz Time

For how long had Aeneas of Lydda been bedridden before Peter healed him?

### Today’s Bible Passage

Hebrews 6:1, English Standard Version.

<sup>1</sup>Therefore let us leave the elementary doctrine of Christ and go on to maturity, not laying again a foundation of repentance from dead works and of faith toward God.

### Paul’s Portion

In the classic television show “Gilligan’s Island” seven castaways are stranded on an uncharted island. In almost every episode they devise some scheme for getting rescued off of the island. In every one of those episodes some misfortune occurs causing the scheme to fail. Usually it is the “Professor” who comes up with the escape plan and it is “Gilligan” who causes the misfortune. The puzzling thing is that they never make a second attempt with any of the ideas. As mentioned, the usual reason for the plan to fail was something that Gilligan would do. It stands to reason, therefore, that if they would try again and keep Gilligan from sabotaging the plan it could actually work. Instead, they scrap that idea and the next week they come up with a different and new approach at getting rescued. There are some congregations of Christians who have a “Gilligan’s Island” mindset when it comes to plans and ideas for the Lord’s work. I think that it is fair to say that all of God’s congregations share the goal of growth; spiritual growth of the members and numerical growth. To this end congregations will come up with plans, ideas, programs etc. devised to facilitate said growth. Unfortunately, congregations are usually very quick to abandon those plans, ideas, and programs if they do not see immediate success. Well it might be discouraging for our plans to not succeed the first time that we attempt them that is no reason to give up. It may surprise many people to learn that Jesus did not always have complete success with His first attempt. In Mark 8:22-26 we have the story of Jesus healing the blind man near Bethsaida. Jesus laid His hands on the blind man, but the man’s sight was not immediately restored. This did not cause Jesus to say, oh well I tried, maybe some other plan would work. Instead, Jesus laid His hands on the man again and “his sight was restored, and he saw everything clearly.” Perhaps the whole reason this account is in the Bible is to teach us not to give up if things don’t always work the first time. We also have the example of Paul. We see in 1 Thessalonians 2:18 Paul tells the Thessalonians that he tried to go to them again and again. Like Jesus and Paul, the Christian is to press on with endurance, and perseverance, 2 Peter 1:5-7, Romans 5:3-5, and 1 Timothy 6:11. Do not let Satan dissuade you with set backs, but press on.

### Just For Fun

A Sunday school teacher, after teaching her students about  
God's omnipotence, asked, "Is there anything God can't do?"

All was silent. Finally, one boy held up his hand.  
The teacher asked, "Well, what is it you think God can't do?"  
The boy replied, "He can't please everybody."
