Welcome

We wish to welcome you to services at the Pearl Street church of Christ. If you are a visitor with us today, know that you are an honored guest. We invite you to join us each time we meet together for worship or Bible study. If you have any questions about any aspect of our worship service, or the church of Christ in general, we would love to answer those questions for you.

Just A Thought

“If sinners be damned, at least let them leap to Hell over our dead bodies. And if they perish, let them perish with our arms wrapped about their knees, imploring them to stay. If Hell must be filled, let it be filled in the teeth of our exertions, and let not one go unwarned and unprayed for.”
Charles Spurgeon

Weekly Memory Verse

Genesis 49:10, ¹⁰The scepter shall not depart from Judah, nor the ruler’s staff from between his feet, until tribute comes to him; and to him shall be the obedience of the peoples.

Guest article this week:

Have you ever heard, “You can prove anything by the Bible”? This is only true if someone misuses the Bible and misapplies its teachings. The Bible is unified; it harmonizes. It brings unity, not confusion (Ephesians 4:1–6; 1 Corinthians 14:33, 40). How is the Word of God misused? The Word of God can be perverted by removing a passage from its setting and giving it a meaning never intended by the Holy Spirit. For example, this is done when 1 John 3:9 is used in an attempt to prove that a child of God cannot fall from grace because he cannot sin. This passage actually teaches that the child of God does not continue in the old life of sin he lived prior to his conversion, since the seed (the Word of God, Luke 8:11) abides in his heart. The Word of God is perverted when a misconception is placed on a text. This is done when “rock” in Matthew 16:18 is made to apply to the apostle Peter. “Rock” refers to the great truth Peter confessed, that Christ is the Son of God (see 1 Corinthians 3:11). The Word of God is perverted when it is changed to suit the times. This is often done in moral issues (divorce, homosexuality, abortion, modesty). God’s Word flows from God’s nature and thus, like God (Malachi 3:6), the Word of God changes not (Luke 21:33). God has given different covenants at different times (Hebrews 8), but the Law of Christ has never changed since it was completed nearly two thousand years ago (Galatians 1:6–9). The Word of God can be perverted by misusing passages to justify evil practices. For example, this is done when 1 Timothy 5:23 is used to justify social drinking. This text is dealing with using wine as a medicine. The Word of God is perverted when figures of speech are literalized. For example, some try to argue that the “cup” of Matthew 26:27 is made to refer to the container rather than to the content. The Word of God is perverted when it is misquoted. In the Porter-Tingley Debate years ago, Glenn V. Tingley took the word “not” out of 1 Peter 3:21 and made the text teach the opposite of what the Lord intended. Let us all sincerely study the Bible and carefully follow its teachings. — Wendell Winkler

Just For Fun

An archaeologist was digging in the Negev Desert in Israel and came upon a casket containing a mummy. After examining it, he called the curator of a prestigious natural history museum. "I've just discovered a 3,000 year old mummy of a man who died of heart failure!" the excited scientist exclaimed.

The curator replied, "Bring him in. We'll check it out." A week later, the amazed curator called the archaeologist. "You were right about the mummy's age and cause of death. How in the world did you know?"

"Easy. There was a piece of paper in his hand that said, '10,000 Shekels on Goliath'."
